

Diane Cusick

Location: **Lusaka, ZAMBIA**

Mission: **Early childhood education**

*'Glory to God in the highest heaven, and on earth
peace to those on whom his favour rests'*

Luke 2:14

I am thankful to be writing from Zambia where I arrived mid-November after a journey of delays and missed flights!!

We have had some rains which is great news for Zambia as we still suffer with severe power outages because the Kariba dam water level is too low to generate enough electricity. The country is gradually turning from brown to green and the dust has dampened down!

I was fortunate to spend a couple of days in South Luangwa National park with friends before work begins in earnest! I love taking photos of wildlife so this was a wonderful introduction back to Zambia.

GLOBAL DISCIPLES
Go Deep Go Wide

Dec 24/Jan 25

Our school building at Kabushi CCAP is currently being roofed – we hope that there are enough funds to complete the roofing before the end of the year. This will protect the rest of the building from the heavy rains and will mean we can then begin to prepare for the next stage of the project.

In Chililabomwe there are still some finishing touches needed to complete the toilet block so I hope to be able to visit soon to see the progress!

Teachers finish school on 6 December and open again at the beginning of January. I had hoped to do some training with them but time is short to prepare, so I will instead have meetings with the head teachers and management of the schools to see how they can be run better.

Wishing you all a blessed Christmas and New Year full of love, joy and peace as we celebrate the Saviour's birth. Thank you for your continued support.

Keep updated with my life and work by checking my blog...www.dianecusick.blogspot.com

Please pray:

- Give thanks for the first rains and pray that it continues so that the economy can begin to grow again!
- Pray for the ministers in Kabushi (Rev Moses Chilembo) and Chililabombwe (Rev Chifwe Mwale) congregations as they continue to monitor the progress of the building projects
- Pray for Diane for good health and safety on the roads as she travels!
