

Naomi Keefe

Location: **Olinda, BRAZIL**

Mission: **Church-based community development and evangelism**

It has been great to meet up with so many of you over the summer months during my deputation time. It has been a real privilege to be able to share with you all a little of what God is doing out in Brazil.

It has been a real encouragement to me.

At the start of September, as I head back out to Brazil it is wonderful to know of your continued prayers and support for us all out in Brazil.

In September and October there will be lots of planning and training events particularly for the outreach planned to at least 2 new communities for 'Reading in the Park' activities with the congregation of Beberibe. We are hoping to have some new volunteers to help out with this.

Please pray for all the logistics of this including finding the right spot to put down our tarpaulin with all the books.

GLOBAL DISCIPLES
Go Deep Go Wide

September 2024

Both Beberibe and Peixinhos volunteers are continuing to go through Sam Doherty's book on 'Principles of Teaching' and it is encouraging to see the younger volunteers who have come through the Good News Club taking on an active role in taking part in the teaching of the Bible lessons on the Saturday mornings.

It is wonderful to know that our All-powerful God is with you in Ireland as you all go about your 'fishing' and at the same time He is also with us out in Brazil as we also 'cast out our rods and nets.'

Prayer points:

- Give thanks for the various deputation and training events /workshops that I have been involved in over the past months, they have been a real encouragement to me.
- Pray for safe travels heading back to Brazil – my dad hopes to come out with me for a visit.
- Pray for the expansion of the Reading in the Park activities to the new communities.
