

Derek and Jane French

Location: **Bilbao, SPAIN**

Mission: **Student ministry**

Neil and Jenny Stewart and the kids have settled in well and by the time you read this, they will have been in Bilbao for over a month. Give thanks for the progress they have made already with all the paperwork and practicalities and praise God that the children are content. Pray for them as they seek to establish relationships and be a light in their community. (They live in the same neighbourhood as we do, 400m away).

Give thanks to God for the new premises to which GBU has now moved. Just before the pandemic there was a fire in the previous building and it has taken from then until now for the move to finally take place. Praise God for the support that has made this possible and for the exciting possibilities there are ahead as GBU serves churches and ministries across Spain and in Spanish-speaking countries. This is through publications and student ministry. Pray also for the GBU workers as they plan for the summer camps.

GLOBAL DISCIPLES *Go Deep Go Wide* June 2025

The Bilbao team (Derek, Jane, Jaime, Annika, Neil, Jenny and Sarah) have two special training and planning days in the next month. Pray for Gary and Michelle as they lead workshops and training, and for Derek as leads the planning and vision part.

Give thanks to God for the BIC students who have been attending and helping out at church this past academic year. Pray for them as they sit exams in June and as they return to their home countries. Pray that God would clearly lead and guide them on the next step of their journey.

Prayer Points:

- For Neil and Jenny and kids as they settle in and as they seek to share Christ with their community
- Give thanks for the new GBU premises and all the opportunities they provide
- For the team, for growth, unity and vision and that the training days would be beneficial and encouraging
- For the BIC Students as they study for exams and return home.
