

Csaba and Ilona Veres

Location: **BODASZOLO, Hungary**
Mission: **Church Planting and Outreach**

September 2025

We look back at the summer ministries with thankful hearts for many answers to prayer. We praise God for answering prayer for safety and health for our summer teams, for more males to come along the services and for the seeds of God's word to be planted in young hearts.

One of the most rewarding parts of our work is working alongside teams from Northern Ireland, who are passionate about sharing the hope of Christ with their peers. This summer we were thankful to be joined by two fantastic teams from Sloan St, Lisburn and Kilbride who built meaningful friendships, shared their faith and served faithfully.

The Sloan St team helped in our Children's bible week and youth work in July running football training and English clubs each afternoon and youth group each evening. The children listened well to the daily water-break testimonies during football training and in the English club the testimony-giver was often bombarded with personal questions from the children. Magdi and Viki from our parent church served faithfully as youth translators and a deep partnership in the gospel began.

During the youth week in August with the Kilbride team, continued Football training and English club, and in addition the team focussed on helping youth group members by teaching drama, music and a worship dance.

At the end of the weeks' teaching, we hired the village hall where the young people performed the drama, worship dance and songs they had learned during the week, and we shared a gospel message with a few parents and friends who came along.

As both N.I. teams described struggles and trials during their personal testimonies we sensed the spirit move as several of the Bodaszólió young people opened up about personal struggles they are facing and had many questions about faith.

Prayer Points:

- Give thanks for the teams from Sloan Street and Kilbride and youth volunteers from our parent church. Pray for a lasting impact from the summer ministry, that seeds of the word will grow and blossom and that those who know Christ will grow in their walk with Him.
- Pray as we continue to connect with young people who have questions about faith, pray God will speak, that they will submit to Christ and follow Jesus faithfully.
- Pray for our planning meeting the first week of September. Pray for wisdom and guidance, that we would have expectant hearts as we look forward to what God will do in the 2025-2026 school year.
- Give thanks that we have been able to make an offer on the property for the church plant in Bodaszólió. Pray that this offer would be accepted and for the remaining third of the funds to be raised. Pray for generous hearts to donate towards the church plant, property purchase.
