

Edwin and Anne Kibathi

Location: London, UK

Mission: Pastoral ministry and church planting

We thank God for the far He has brought us and we continue to thank Him for His guidance and mercies.

The Birmingham congregation which started meeting physically earlier this year is doing well and we have new members who have joined them.

As we approach the summer season, we expect to have a number of activities both inside the Churches and outdoors.

During the last weekend of May, we are expecting to have a sports day where families will have fun and participate in various games.

In the last week of May, we have the PCEA Woman's guild week which runs from the 26th May to the 1st June 2025. The ladies are already preparing for that week for it involves a wide range of activities.

Towards mid-June, we are expecting to host the PCEA Secretary General, Rev Robbert Waihenya, from 13th to 18th June.

GLOBAL DISCIPLES
Go Deep Go Wide

May 2025

During his visit we will commission some men into full membership of the Presbyterian Men Fellowship (PCMF).

Prayer Points

- Please thank God with us for His love and protection through the first quarter of the year.
- Thank God for the Birmingham congregation, pray that the Lord will grant us wisdom in reaching out to more people and also help us manage the growth.
- That the proposed events during the summer season will continue encouraging many and result in effective outreach.
- That the Secretary General will be given journey mercies and his visit will impact and encourage many.
- That the Men's Fellowship and the Woman's Guild events will bring glory to God and lead to many being empowered for service.
