Mission: Pastoral ministry and church planting

Summer is usually a busy time for us and so there are various events that we are expecting to hold or participate in.

As part of the Stratford Churches network, we recently participated in Love Stratford event. This is an outreach event aimed at extending the love of Christ to the people of Stratford and beyond. The event took place on 8th of June and it is estimated that around 1000 people were in attendance.

LADIES RETREAT:

The women ministry will have a retreat which will take place from 5th to 7th /07/2024. The event will take place in Derby England. Ladies from our four congregations will be attending the event. This will be a time to recharge, reflect, review the past year and to listen to what the Lord is saying in this season.

MEN'S FELLOWSHIP:

During the same weekend on 06/07/24, the men will also have a seminar which will take place in London. This seminar is for all men including those outside our church. The seminar aims to empower men to be able to cope with the challenges they are facing today. It will be also a time to encourage one another.

SEA SIDE EVENT AND KENYANS IN THE PARK:

These events are scheduled for August and the preparations are continuing and at an advanced stage. We are hoping to reach out to many as we share the love of Christ. In the Kenyans in the Park event, we usually have a prayer tent and many have in the past events benefited from the prayer ministry offered.

Please thank God with us for;

- The successful Stratford Churches event and ask God to continue ministering and encouraging all those who we interacted with.
- Pray that the ladies retreat will be a source of encouragement and renewal to those who will be attending.
- That the men seminar will also impact the lives of men and that they will also be encouraged, empowered and equipped to overcome the challenges they could be facing.
