

Edwin and Anne Kibathi

Location: London, UK

Mission: Pastoral ministry and church planting

With the arrival of summer, the month of June is expected to be a busy one and a number of events are scheduled to take place.

The month started with our ladies joining the rest of their sisters in PCEA to participate in the Woman's Guild Week which ran from 26th May to 1st June 2025. During the week, the ladies participated in a number of events which included reaching out and supporting the needy within their localities, prayer meetings, both physical and online. On Sunday the 1st June, the Woman's Guild ladies led the worship services in all our congregations.

On the 7th June 2025, a mentorship workshop for the youth will be held. The workshop targets the teenagers and young adults. The aim is to guide them to make right decisions as they navigate school life and after. On the same day of 7th, the ladies of our church will hold their monthly prayer meeting in the afternoon. This will be done over Zoom.

GLOBAL DISCIPLES
Go Deep Go Wide

June 2025

From the 13th June we expect to receive and host the PCEA Secretary General. During his visit one of the key events he will lead is a worship service where all our congregations will gather at PCEA Luton on the 15th June 2025. During the service there will be a commissioning of Men into the Presbyterian Church Men's Fellowship (PCMF).

On the 28th June, the LOVE STRATFORD event will take place. The PCEA Church in London which is a member of the Stratford Churches is taking part in organizing and attending the event. This is a fun day which aims to target all the families in and around Stratford to come and have fun, sports, food and to chill out with friends. This is open to people of all faiths and background and is free of charge.

Prayer Points

- Please thank God with us for a very successful Women's Guild week.
- Pray that the youth workshop will be a success and that many young people will be impacted.
- For the Ladies Fellowship meeting, that it will be a source of strength and encouragement for the ladies.
- For the Love Stratford event that many people will experience the love of Christ as they attend and interact during the day.
