### 2 Thessalonians 1:3

**We ought always to give thanks to God for you, brothers, as is right, because your faith is growing abundantly, and the love of every one of you for one another is increasing.**

As we look back on June, we are thankful for many opportunities for the gospel through our interactive prayer tent at the children's day, three days of evangelism held in a nearby theatre and taking a group of young people to a local worship festival. Through all of these encouraging events, our bible studies and services we see opportunities to connect with people and for our little church community to grow closer to the Lord and to one another.

We are thankful for being able to spend a short time in Northern Ireland in June for the wedding of our daughter Jazmin to Andrew Morrow. We are looking forward to all that God has for them in the future as they continue to serve Him.

As we look to the summer there is much to pray for. Alongside our usual Sunday services, family visits and bi-weekly bible studies the summer work will focus on several outreaches to youth and children and we hope to launch the Bodaszólió youth group with the three teenage girls who became members of the church in May.

On the first of July together with local teachers we will begin a daily children's **'SKILLS' program** in order to support struggling students and share with them the love and care of Christ.

## July/August 2024

We will run this throughout the whole summer, focussing on helping students with literacy, holding reading programs and individual study with students who need to repeat exams or who need extra support in a particular subject. We would appreciate your prayers for the following outreaches.

July 1-5 **Music week** of the summer, teaching guitar and Cajon to teenagers with the hope that some will be inspired to help lead worship in the future

July 8-12 **Children's Bible camp** with afternoon football training for those boys who will attend the National gypsy mission football championship. The bible camp theme is True Treasure and we will challenge the children to think of real Treasure which begins living God's way and loving Him

July 8-12 **Youth week** evening event of personal testimonies and worship led by a team from Exodus

July 15-19 **SKILLS summer program**

July 20 National Hungarian Reformed Church Gypsy mission **football championship** in Esztar. We have two teams (18 boys) in the competition

July 22-26 **SKILLS summer program**

### Prayer Points:

- As camps and outreaches take place throughout the summer months, please pray for the leaders and volunteers, for work and growth together in unity.
- Give thanks for Jack and Rebekah and their team from Exodus who will help during the children's Bible week on July 8-12 with football training, evangelism and youth work. Pray for safety and health, for fair play, good sportsmanship and a clear gospel message through each testimony and talk.
- We are so thankful for each child and young person attending the Bible weeks, SKILLS program and good news clubs. Please join us in praying for them and their families, that they would respond to the gospel and follow Jesus.
