What May we Do in May?

It's a blessing to be part of a unique home group that meets virtually on Friday mornings. There are at least seven different nationalities represented by the 13 ladies, whose life experiences are a mix of young adult through to senior citizen. Our recent discussion centred around resting in the hand of God and how this impacts our attitudes and actions each day.

"The righteous and the wise and what they do are in God's hands, but no one knows whether love or hate awaits them" (Ecc.9:1). There's a gem of a story later in the chapter (verses 13-18). It teaches us that godly wisdom is a superior power to worldly power, that one wise person is more powerful than military might. One wise person, like Abigail for instance, can make a significant difference in the world.

"Wisdom is about the paths that lead to life, shalom and flourishing..." So, we encourage each other in May to pray, resting in God's hands and asking for the gift of his wisdom in the overwhelming situations we face.

Drafting with Wisdom

Currently, my main task is to complete a draft lesson on "Empowering the Child". This will be presented to the team in our next meeting, and suggestions will be given to improve it. We may reduce some words, expand on a section or alter the questions, but it'll be deemed good to go in due course.

One lesson then remains – the last in the Child Rights and Advocacy book. The team are faced with the question: "Is there an area that still needs covering, or should we do a summary of all the previous lessons?" Again, we need God's wisdom to discern this. Typing words is easy, but the number used does not demonstrate true power; true power lies in the wisdom of them.

Points for Prayer:

Please join us in asking God for his wisdom as we –

- Acknowledge the significant difference one wise person can make in the world
- Pray for the writing team completing the revision of the Child Rights and Advocacy book (one of eight in the Holistic Nurturing of Children series)
- Remember the meeting of headteachers from PCEA schools that is scheduled to take place this month
- Pray for those in mourning at this time, especially remember the PCEA Moderator – Rev Thegu Mutahi, whose wife, Winnie, has passed on to higher glory. The funeral will take place on 8th May 2025.
